COST MARKUP REQUIRED	%	YES	NO
Does this markup apply to ALL 'Per Item Charges'			
Does this markup apply to ALL 'Retailer Extras'?			

- Your % Markup will apply to all of your material costs on your quote as standard.
- This will never apply to one-off extras.
- You can have more than one % Markup option on your account. If this is required, please advise us of your requirements in your email to easyconnect@listerwindows.co.uk.
- Please Note, you **CANNOT** have different Per Item Charges across these account options. The only pricing features which can be changed per account are the % Markup or whether Per Item Charges apply or not.

PER ITEM CHARGES

- The charges requested below will apply once per item. If not requested above, Per Item Charges will not have a markup applied.
- uPVC products include Veka Halo, Eurocell, Timeless and Residence.
- uPVC Window/Aluminium Window include, Standard Casements, French Casements, Tilt & Turns and Composite Side Panels.
- Aluminium Windows, Bay Windows, Single and French Doors include the Sheerline Classic and Prestige Range.
- Single and French Door Styles quoted in the Sheerline Bifold system will have the Aluminium bifold Per Item Charges applied.
- Bay Window Charges are charges per window on a bay. If an additional bay charge per facet is required, this will have to be created as a Retailer Extra that customers can select (See Retailer Extras section).
